GRAND FLOATING APPLIQUE

388

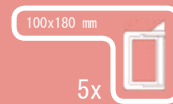

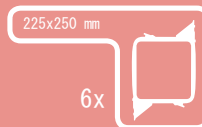

Grand Floating Applique is a new embroidery design collection from PFAFF, featuring 388 designs. The designs are created using the Grand Floating Applique technique, which allows you to create a floating effect on your fabric. The designs are available in a variety of colors and styles, including flowers, fruits, and leaves. The designs are suitable for use on a wide range of fabrics, including cotton, polyester, and silk. The designs are also suitable for use on a wide range of sewing machines, including PFAFF sewing machines. The designs are available in a variety of sizes, including small, medium, and large. The designs are also available in a variety of colors, including red, yellow, orange, and green. The designs are also available in a variety of styles, including traditional, modern, and contemporary. The designs are also available in a variety of sizes, including small, medium, and large. The designs are also available in a variety of colors, including red, yellow, orange, and green. The designs are also available in a variety of styles, including traditional, modern, and contemporary.
